Vision And Mission

VISION-To produce competent pharmacy professionals by offering quality education.

MISSION-

1. To provide quality education and training to budding pharmacist who can withstand transforming healthcare system.
2. To bridge the gap between academia and industry to create industry ready professionals.
3. Honing the future of the students with the approach to create emotional quotient with intelligence quotient for holistic development.

Mr. Roshan Agarwal
Chairman, IIP/IIP/IIMR

FROM CHAIRMAN'S DESK

Greetings!

I am quite pleased to see that you are trying meticulously to materialize our joint vision of taking IIP to new heights. "IIPPRATIBIMB" would certainly be the milestone in our journey to the horizon. I congratulate to all the participants and the faculty who are directly or indirectly associated in this endeavour.

Mr. Arun S Bhatnagar
Director General,
IIST/IIP/IIMR

FROM DIRECTOR'S DESK

Education, in essence, should bring to the fore the inner and inherent potential of the student. Educational Institute, therefore, has to distinguish itself by providing sound infrastructure for higher education to leverage knowledge and innovation. More so, since the society and the nation look up to these centres for fulfilment of their aspirations and exceptions. Education, be the primary or higher, need to go beyond its scope of merely imparting information and skill. It is precisely here that educational institutes have to play a pivotal role. It is rightly said that the child is not vessel to be filled but a lamp to be lit. Besides proactively providing an environment conducive to foster and nurture the inherent potential of the students, the institute needs to consciously promote an inquisitive spirit among the students. The students would then be able to get acquainted with latest and upcoming research and inventions in science and technology. Hence, the institute has the onus of providing a platform for overall development of ethical, moral and human aspects of the personality of the students.

Dr. Dinesh Kumar Mishra
Principal, IIP

FROM PRINCIPAL'S DESK

"The mind is not a vessel to be filled, but a fire to be kindled." by Plutarch. I am happy to announce that Indore Institute of Pharmacy is bringing out "IIPPRATIBIMB" our College newsletter which kindles the imagination of our learners. This newsletter is intended to be published twice in a year. This inaugural issue is a brief account of the important events held between July-December 2019. This newsletter will definitely help to showcase the activities that are happening in the institute. It will also help in building up teamwork which is very essential in the present scenario. It is a platform for exposing the merits and academic achievements of the students and faculty. This would definitely create an impact in the minds of readers, by way of providing larger visibility and dimension to the institute. I congratulate the staff and students who used various mediums of expression to present their ideas. As long as our ideas are expressed and thoughts kindled we can be sure of learning, as everything begins with an idea. I appreciate every student who shared the joy of participation in co-curricular and extracurricular activities along with their commitment to curriculum. That little extra we do, is the icing on the cake. 'Do more than belong- practice. Do more than be fair-be kind. Do more than forgive-forget. Do more than dream -work. It is expected that wide support for this mission will be provided through the reader's valuable suggestions and comments. Happy Reading! Thanks

College Events

ORIENTATION

An induction program was conducted for newly admitted D. Pharm., B. Pharm. and M. Pharm. students on 3/08/19 and 4/08/19 at Indore Institute of Pharmacy. On day one (03/08/19) traditional welcome of students was done along with their parents.

1. Induction program was graced by the presence of Honorable Director General, Shri Arun .S. Bhatnagar, IIST/IIP/IIMR; Dr. V.R. Raghuveer, Principal, IIST; Dr. Mayank Saxena, Principal IIMR; Dr. Dinesh Kumar Mishra, Principal, IIP; Prof. Umesh Parekh, Principal, Indore Polytechnique and faculty members of IIP.
2. Program was initiated with Saraswati Vandana and lamp lightening followed by brief introduction about the Institute and presentation of a college video.
3. New students were introduced to Dr. Dinesh Kumar Mishra, Principal, IIP. Dr. Mishra addressed the students and introduced them about the new prospects of Pharmacy sector in near future and about the various activities running in the institute for the overall development of the students.
4. After this, Prof. Umesh Parekh, addressed the students and briefed them about the importance of pharmacy profession in the society.
5. After this, students were introduced to various academic practices and syndicate club activities followed by pharmacy oath and brunch.
6. After refreshment, interactive session for new students was conducted which was followed by sports activities. Both indoor and outdoor sports were arranged for them.
7. Second day (04/08/19) of induction was started with plantation by each new student.
8. Plantation was followed by yoga session.
9. Induction program was ended by cultural activities performed by senior students of IIP. Various colorful activities like singing, dance, skit, beat boxing etc. were performed by the students. New students were also given the opportunity to perform any activity as per their interest.

Plantation

Indore Institute of Pharmacy has started an innovative task under the guidance of Honorable Director General, Shri Arun .S. Bhatanagar, IIST/IIP/IIMR to make the earth much greener than what it is now. Under this initiative the institute has formed the Green Waves Club. The college motivates every single student and faculties to plant more and more trees. In the year 2019 the institute has got thousands samplings planted in its own campus as per the vision of our Respectable Director General Sir.

All India Council of Technical Education has started “One Student One Tree” campaign to increase the green index of Indian environment. It is pointed out that all plants are not suitable for all location and hence the researchers selected the trees based on their pollution tolerance level and ascorbic acid index. Trees like Banyan, Neem, and Mango etc. have high tolerance level to all pollution while other trees fail to stand with them. Careful selection of trees will ensure that the greenery last long. Trees like Neem and Peepul are suitable for industrial areas. They withstand high levels of pollution. They withstand high levels of pollution. They absorb the greenhouse gases and keep the city cool.

In view of these guidelines a Plantation drive of was conducted at Indore Institute of Pharmacy Campus under as the activity of Green Wave club- a club founded in the institute to perform similar function for the students of IIST/IIP/IIMR family on 9th Aug 2019. Following trees were planted.

1. Grafted Mango – 20
2. Peepal – 20
3. Gulmohor – 20
4. Taiwan Papaya – 20
5. Amaltas – 20
6. Lemon – 20
7. Neem – 20
8. Kaner – 20
9. Falsa – 20
10. Khas – 20

Independence Day Celebration

Indore Institute of Pharmacy celebrated the 73rd Independence Day on August 15, 2019. Organizing various competitions which include Singing, Dancing and Poem Recitation. 15th of August reminds as the sacrifice and valor of Martyrs' for the Independence of the Nation. It is a sort of tribute to their contribution and in the way it is a lesson to the young generation so that they too can understand and realize the importance of freedom and unity.

Days of Importance & Club Activities

Swachata Diwas

The institute also dedicated one day to the Mahatma Gandhi's vision of Swacch Bharat, in this light all the faculties member went out to clean the campus. A wonderful coordination was shown in order to give the message of our Prime Minister Mr. Narendra Modi that cleanliness would make India more strong and healthy.

Tashaanbaaz

Country's Leading radio station 93.5 RED FM has launched its Talent Hunt ,College Ke Tashanbaaz at IIP on 23rd August,2019. The Contest was hosted by RJ Ravi, RJ Venu, RJ Pathagat. The contest involved Red FM's local radio jockeys judging the participants, with talent being the sole criteria for judgement (College Ke Tashanbaaz). The Students from different departments had participated including IIST, IIMR and the winner were from IIP "S.S.R Bhangra Group" and "Rohit Kene". The Winner And Runner up were facilitated with gift hampers and vouchers. The Final for the contest was held at Ravindra Natyagrah, Indore. And the Finalist were the members of S.S.R Bhangra Group (including Samindar Singh(I Sem, M. Pharm), Yashashvi Shrivastav(V Sem, B. Pharm), Sachin Sisodiya(V Sem, B. Pharm), Garvita Sharma(III Sem, B. Pharma), Sweta Yadav(III Sem, B. Pharm), Aayushi Arora(I Sem, B. Pharm), Manasvi Dubey(I Sem, B. Pharm), Krishna Gupta(I Sem, B. Pharm)) and Rohit Kene.

TCS Visit

It's a proud moment to share that TCS, life science and health care unit, Indore team visited the IIST campus on 16th July, 2019 and interacted with faculty members. Dr. Shirish Sherlekar, Head TCS life science and Healthcare unit, Indore and informed about the career opportunities with TCS in Medical Writing, Pharmacovigilance and Clinical Data Management Department of Indore Unit.

IIP faculty was happy to share their initiative regarding the institutes MOU with Catalyst Clinical Services, where final year students have enrolled for Certificate course on Pharmacovigilance and Clinical Trials..

Workshop, Seminar, Visit

World Pharmacist Day(ECG Workshop)

A workshop on '**Electrophysiology of Heart: Practical Applications**' was conducted in Indore Institute of Pharmacy marking the celebration of World Pharmacist Day on 25th September, 2019. The workshop was targeted for the students of final year and pre-final year, however looking into the interest expressed by students all interested were allowed to participate. The main object of the workshop was making the students (Healthcare) industry ready, via getting hands on training of ECG. It was considered worthwhile as it also helps raise the health awareness issues in the students.

The workshop was conducted by Dr. Ashutosh Bodhe, who is a medical graduate from KEM Hospital Mumbai and pursued his Post graduation in Physiology from Nair Hospital, Mumbai. He has worked in Nepal, Caribbeans, US and Mauritius as a Physiologist. Dr. Ashutosh Bodhe is currently working as the Professor and HOD in the department of Physiology at Gokhale Trust, Nashik.

As the workshop was conducted on World Pharmacist Day, the students were briefed about the importance of the day by Dr. Dixit and then Dr. Paliwal conducted the Pharmacist Oath. The first half of the workshop included basic concept of ECG-Electrocardiogram. Dr. Bodhe with the help of interactive sessions with students helped them understand the basic physical, electrical and clinical aspect of ECG. In the second half the students were divided into groups of 15 and were given the ECG of the volunteer student for interpretation. The ECG of a student volunteer was recorded in front of the audience by Mr. Ajay Thakur who represented Anjali Diagnostics run by Dr. Manoj Gupta at Palasia, Indore. The session ended by vote of thanks by Principal Sir along with presentation of memento to Dr. Bodhe.

Guest Lectures

- **Guest Speaker: Dr. Parizad Elchidana**
Principal Technical Consultant, ACG Ltd.
- **Dated – 04th October 2019**
- **Topic : Industry Academia Connect**
- **Students Present : M. Pharm, B. Pharm, D. Pharm.**

Summary of Lecture:

Dr. Parizad delivered a guest lecture on 'Industry-Academia' connect. She highlighted the importance of information technology in Pharmaceutical industry, along with evolving regulatory framework starting from product design to product life cycle management. She also highlighted IOT and IIOT in Pharmacy Industry and stressed its crucial role in patient data management, research & development, value network management and manufacturing transformation strategy. She also highlighted the opportunities available to pharmacy students in core as well as non-core companies especially the IT sector focusing on AI and IOT.

In this lecture, our eminent speaker has discussed various point which will be acted as a gap filler between the academics and industry. Students learned and enjoyed the lecture.

- **Guest Speaker: Mr. Pritam Rajkumar Siraskar**
Production Manager, Glenmark Pharmaceutical Limited
- **Dated – 11th October 2019**
- **Topic: Current Scenario in Pharmaceutical Industry and future scope**
- **Students Present : M. Pharm, B. Pharm, D. Pharm.**

Summary of Lecture:

It is observed that pharmaceutical industry and academia work in different directions. Academic studies and research involves understanding basics of science and its relations with pharmaceuticals. But its real application into pharmaceutical work at industrial level is missing. There is a gap between training done in academic institute vs. expectation of industry. In this lecture, our eminent speaker has discussed various point which will be acted as a gap filler between the academics and industry. He has also detailed the various departments and work culture of the production and Research and development setups.

He has discussed some practical based case studies based on cGMP guidelines which helped the student to correlates their current knowledge with the industrial standard requirements.

Faculty Article Published in International Journal

- Ms. Surekha Dhokne, Mr. Kuldeep Vinchurker, Ms. Renu Singh and Dr. Dinesh Kumar Mishra Published Joint article on “Eradication of Pediatric HIV-1 Infection: A Review on Progress and Challenges” in the Journal “Research Chronicle” Vol 7 (7), July 2019
- Mr. Kuldeep Vinchurker Published Research article on “Formulation and Evaluation of once a day dual component Gastro- retentive Drug Delivery System” in “Asian Journal of Pharmacy”, Vol 10(9), Page no. 10247- 10254, Sep 2019.
- Dr. Rekha Bisht Published an article on “Phytochemical management of Diabetic Complications, Experimental Evidence” in the Journal “Asian Journal of Pharmaceutical & Clinical Research”, Vol 12 (9), Page no. 46-50, Aug 2019.

Achievements

Faculty Invited as Keynote Speaker

- Dr. Pankaj Vinod Dixit was Invited as Keynote Speaker in the Program “Alternatives to Laboratory Animals” Organized By Charak Institute of Pharmacy, Mandleshwar on 20th July 2019.

Faculty Appointed as Editorial Board Member

- Dr. Dinesh Kumar Mishra has been appointed as Editorial Board member of International Journal – Journal of Applied Pharmaceutical Sciences(JAPS).

Awarded Faculty

- Dr. Dinesh Kumar Mishra received “Young Achiever Award” in National Conference on “Recent Advancement in Bioscience” Organized By Oriental College of Pharmacy on 17th Sep 2019 at Oriental University. The conference was sponsored by International Journal of Pharmaceutical Sciences and Research(IJPSR).

Faculty Development Program(FDP)

- Ms. Renu Singh and Ms. Deepika Bhavsar attended 12 days faculty development program on “Impact of Technological Advancement and Social Reforms on Teaching Learning Processes” at IPS Academy from 15th to 27th July 2019.

Book Chapter Published

- Dr. Dinesh Kumar Mishra Published a chapter with the Title on “Polymeric Micelles: a ray of hope among new drug delivery system” in the book “Drug delivery systems” published by Elsevier Inc. in Sep 2019.

Article Published in National Journal

- Ms. Nikita Sitlani Published an article “Prescription Pattern of cardiovascular drugs in Indore city Hospital” in “Journal of hospital pharmacy”, Volume 14 (3), Page No. 11-15, July 2019.
- Ms. Renu Singg, Mr. Kuldeep Vinchurker, Ms. Surekha Dhokne, and Dr. Dinesh Kumar Mishra Published Joint article on “Pharmacognostical and Phytochemical Evaluation of Pluonia Obtusa(Linn.) Leaves” in the Journal “Pramana Research Journal” Vol 9 (8) page no. 198-206, Aug 2019

Faculty Article Published in Newsletter

Dr. Pankaj Vinod Dixit and Dr. Dinesh Kumar Mishra Published an article “Advances in Vaginal Drug Delivery System” in ISSRF Newsletter Publication of Indian Society for the study of Reproduction and Fertility, Oct 2019.

Faculty National Conference Attended

- Mr. Kuldeep Vinchurker attended National Conference on “Recent Advancement in Bioscience” Organized By Oriental College of Pharmacy on 17th Sep 2019 at Oriental University. The conference was sponsored by International Journal of Pharmaceutical sciences.
- Dr. Dinesh Kumar Mishra attended National seminar on “Application of High Throughput Screening Methods Based on molecular Markers in New Drug Discovery” Organized By Truba Institute of Pharmacy on 13th – 14th Sep 2019. The conference was sponsored by DBT.

Student Poster Presentation

17 Students Presented Poster Presentation in National Conference on “Recent Advancement in Bio science” Organized By Oriental College of Pharmacy on 17th Sep 2019 at Oriental University.

Students Cultural Activity

Mr. Samindar Singh & Group (SSR Bhagra Group) Secure 1st Prize in College level Qualifying round in the completion “Red FM college ke Tashanbaz” Organised By RedFM on 22nd Aug 2019.

Students Article Published in International Journal

- Mr. Arihant Kasliwal, Ms. Aastha Sing, Mr. Adesh Ameta, Mr. Adiya Shrivastava and Ms. Neha Kamalpuria Published Joint article on “Addicting Drug- Neural System , Prevention and Government Policies: A Review” in “World Journal of Pharmacy and Pharmaceutical Sciences”, Vol 8/ Issue 8, Page no. 404- 410, 8th July 2019
- Mr. Gaurav Patidar , Mr. Hemant Saini , Mr. Kuldeep Vinchurker and Dr. Dinesh Kumar Mishra Jointly Published Research article on “ Radiopaque Diagnostic agents” in “ Wold Journal of Pharma Research”, Vol 8(12), Page no. 857-859, Sep 2019.
- Mr. Shubham Sharma, Ms.Rupali Sontakke, Ms. Nayany Sharma, Ms. Neetu Pancholi and Ms. Neha Kamalpuria Jointly Published article on “Imminent component of musaparadisiaca Blossom of Indian origin – A Review” in “ Journal of Pharmaconosy and Phytochemistry”, Vol 8(5), Page no.470-472, Sep 2019
