Subj: Extension of approval to INDORE INSTITUTE OF SCIENCE & TECHNOLOGY VILLAGE DEHRI, TEHSIL INDORE DIST INDORE for the year 2004-05-imp.

Sir Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1967 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council issues an affirmation of the minimum requirements prescribed for imparting technical education by the institutions as their quality of courses is not compromised and requirements are satisfied. The Council also undertakes an Annual Inspection of the institutions and courses (subjected to them for re-affirmation).

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be non-compliant about taking steps to remedy the deficiencies.

Both institutions suffer from critical deficiencies of faculty in proper cadre, qualification, experience and other requirements. First batch of students with regard to quality of education imparted by such institutions has evoked great concern. The Expert Committees, following periodic appraisal during inspections, have also highlighted these shortcomings.

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of greater concern.

The deficiencies in respect of faculty (including proper cadre size and qualification, etc.) could have rendered your institution liable for punitive action (including being placed in non-approval) reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty strength, proper cadre size and requisite qualification. Course-wise approved intake in respect of INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, VILLAGE DEHRI, TEHSIL INDORE DIST INDORE for the year 2004-05 is as under:-

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
ELECTRONICS & INSTRUMENTS	50	40
COMPUTER SC & ENGINEERING	50	50
ELECTRONICS & COMMUNICATIONS	50	50
Mechanical Engg	50	50
TOTAL	200	200

Note: Additional intake/new courses etc. shall not be granted on account of deficiencies in respect of existing existing courses/Intake.

Subject: Additional intake/new courses/PIU quota not granted on account of deficiencies in respect of running existing courses/INTAK.

The above approval is subject to your verification of deficiencies listed by August end, 2006. A compliance report indicating rectification of deficiencies and status of faculty recruited for each month must be received by the Council, with a copy to concerned Regional Office latest by 31st August, 2006 to enable your institution for submission of approval for the year 2006-07.

The compliance report must be accompanied with a visiting /processing fee as prescribed by the Council in the form of demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing/visiting fee, the compliance report may not be considered.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
