Sub: Extension of approval to INDORE INSTITUTE OF SCIENCE & TECHNOLOGY VILLAGE DEHEL, TEHsil INDORE DIST INDORE for the year 2005-06-ug.

Sir Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council issues an Notification of the minimum requirements prescribed for imparting technical education by the institutions so that quality of courses is not compromised and requirements are satisfied. The Council also undertakes an annual inspection of the institutions and issues observations/circulars for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be non-compliant about being able to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre, qualification, experience and other requirements. Even lack of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committee, following technical appraisal during inspections, have also reported severe shortcomings.

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your review. Shortage of faculty is of greater concern.

The deficiencies in regard of faculty (including proper cadre size and qualification, etc.) need have rendered your institution liable for punitive action. Having being placed in non-compliance, reduced intake category, however the Council has decided to give a second view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre size and requisite qualification. Course-wise approved intake in regard of INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, VILLAGE DEHEL, TEHsil INDORE DIST INDORE for the year 2005-06 is as under:-

COURSE (S)	APPROVED INTAKE	APPROVED INTAKE
	2004-05	2005-06

COMPUTER SC & ENG	50	50
ELECTRONICS & COMMUNIC	50	50
Mechanical Engg	50	50
TOTAL	200	200

Note: Additional approval/new courses/PG seats not granted on account of deficiencies in regard of running existing courses/Intake.
